1. Uvod

1.1. Korišćeni programski jezici

Sajt je rađen korišćenjem HTML, SASS/CSS, JavaScript, jQuery i XML(SiteMap) u Visual Studio Code.

1.2. Opis funkcionalnosti

Sajt poseduje sledeće funkcionalnosti I programske opcije:

- Dinamičko menjanje pozadinske slike intro banera
- Menjanje određenog dela sadržaja klikom na dugme
- Menjanje određenog dela sadržaja na hover
- Dinamičko ispisivanje menia za hranu, vina i za koktele
- Dinamička galerija u vidu slider-a
- Dinamičko ispisivanje vremena rezervacije (**Time**) u formi u vidu dropdown liste
- Dinamičko ispisivanje broja osoba (**People**) u vidu dropdown liste
- Provera unetih podataka u formi pomoću regularnih izraza i označavanje tačnog/netačnog unosa pomoću PlugIn-a
- Responsive sajt, pomoću Media Query

1.3. Template

Za izradu sajta nije korišćen template.

Ceo HTML I SASS/CSS kod je samostalno napisan.

Kao plugin, na kraj preuzetog jQuery koda, korišćen je Colorfield.

WELCOME TO PLATO RESTAURANT
FOOD IS THE INGREDIENT THAT BIND US TOGETHER

[BOOK A TABLE](#)

THE RESTAURANT

The kitchen is international with sophisticated and unusual tastes. Our menu consists of carefully selected ingredients. The complete pleasure is created with homemade and quality wines. PLATO restaurant is a place where unusual tastes are combined and converted into perfect meals. Restaurant PLATO is a place that will capture you with unique tastes.

[READ MORE](#)

DIVERSE OFFER FOR EVERYONES TASTE

In order to satisfy a large number of different tastes, we have combined a varied menu that will suit each one of our guests individually. But that's not all, except for individual dishes, you can also choose our special daily menus. Every day we combine different menus for our guests.

AUTHOR

Hi, I'm Kristina Nanuseski! I'm a twenty-something web developer, a level thirty-five Pokémon trainer and a somewhat proud mother of two dumb dogs and an annoying cat. I enjoy making websites and I'm currently studying at the ICT College of Vocational Studies in Belgrade. I like working as a team member as well as independently, a team leader and a team player. I am curious and constantly learning.

2. Organizacija

2.1. Organizaciona šema

Sajt je rađen kao single-page stranica.

2.2. Mapa sajta

```
<?xml version="1.0" encoding="UTF-8"?>
```

```
<urlset
```

```
  xmlns="http://www.sitemaps.org/schemas/sitemap/0.9"

```

```
</urlset>
```

2.3. Slike stranica i opis funkcionalnosti

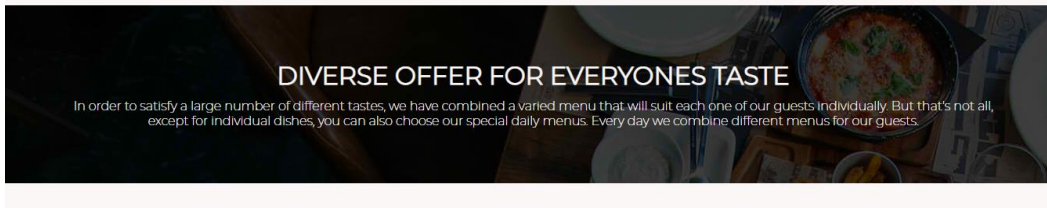

Sajt je rađen kao single-page stranica.

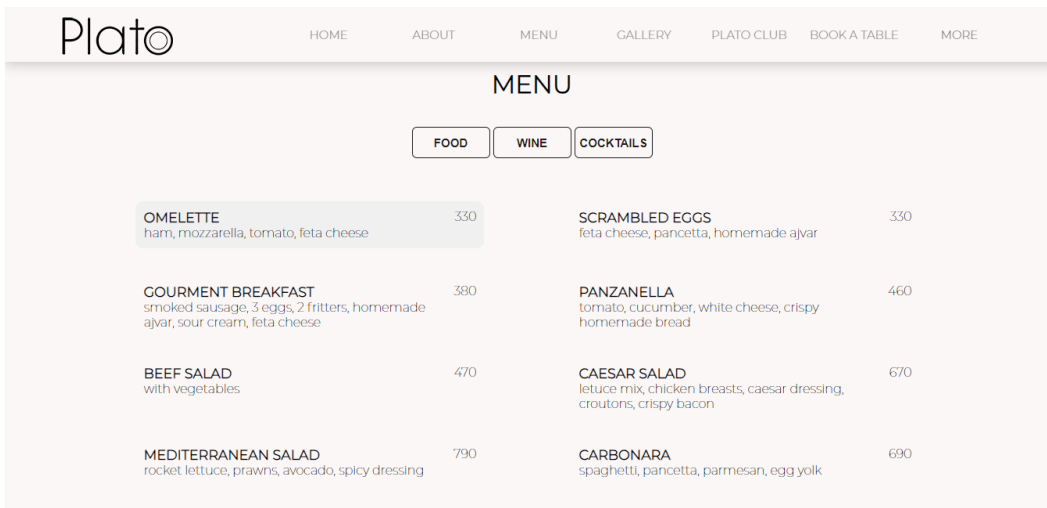

Pozadinska slika banera se menja korišćenjem tajmera i niza slika. Klikom na "BOOK A TABLE" se skroluje do forme za popunjavanje rezervacije. Smanjenjem širine ekrana, meni se pretvara u dropdown meni, koji se spušta klikom na "hamburger".

Prelaskom miša preko slika na ekranu, one se menjaju sa nekim drugim slikama. Klikom na "READ MORE" slike nestanu i šrikaže se dodatan tekst o restoranu.

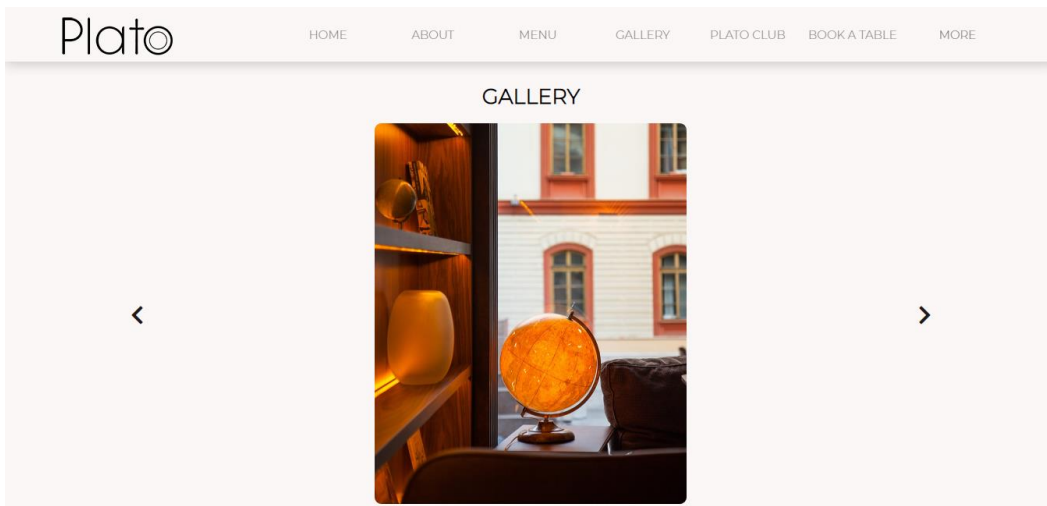

Prelaskom miša preko ovog dela se promeni pozadina.

Klikom na određeno dugme u meniu, prikažu se jela/pica za tu kategoriju. Sadržaj liste je dinamički ispisan.

Prelaskom miša preko nekog od elementa liste on se obeleži drugom bojom.

Galerija/slajder je dinamički ispisan.

Moguće je videti sledeću i prethodnu sliku; slike se vrte u krug, tako da ako se od poslednje klikne na sledeću, prikazaće se prva slika.

Klikom na “READ MORE” dugme se prikažu slike i automatski se skroluje do njih. Prelaskom miša preko slike im se poveća opacity, a klikom na njih se prikaže/sakrije dodatni sadržaj vezan za Plato Club.

Regularni izrazi za proveru unetog sadržaja forme su iskorišteni, a pomoću plugin-a je animirana boja za tačan/netačan unos.

Dropdown liste za vreme rezervacije (**Time**) kao i broj osoba (**People**) su dinamički ispisani.
